TELECOMMUNICATIONS CONSULTING SERVICES

MSA DGS-2034

TOGETHER WE CAN

STATEWIDE TELECOMMUNICATIONS AND NETWORK DIVISION (STND)

When the need arises, state and local government agencies contact Department of Technology Services (DTS), Statewide Telecommunications and Network Division (STND), regarding the need for telecommunications consulting services and expertise.

DTS-STND administers a contract to provide highly qualified, highly experienced telecommunications consulting firms to assist governmental agencies in meeting their telecommunications needs in a timely and cost effective manner. This contract offers twenty seven (27) pre-qualified Consulting firms that cover various consulting areas.

DTS PROVIDES THE FOLLOWING SERVICES

- Contract coordinator, liaison between State and local agencies and consulting firms.
- Provide guidelines and assist agencies at each stage of the process. Examples: provide agencies Statement of Work (SOW) template, submit SOW to pre-qualified MSA vendors, assist with evaluations/interviews and draw up contract documents.
- Respond to agencies and consulting firms for contractual requests, issues or concerns including review of regularly submitted contractor status reports.
